WHERE ADA House 54 Havelock St West Perth

Dr Roderick Tataryn
The Endo-Antral Connection

Prof Monty Duggal
Management of the Traumatized Incisor

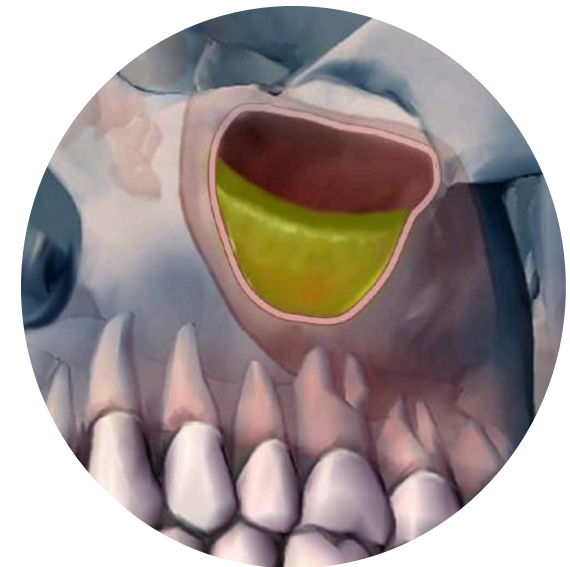

DR ROD TATARYN DDS MS

The Endo-Antral Connection

UNDERSTANDING THE ROLE OF ENDODONTIC INFECTIONS IN MAXILLARY SINUSITIS

1. Understand the anatomy and function of the paranasal sinuses, and the aetiology and current treatment of rhinosinusitis.
2. Recognize the distinguishing differences between pain of sinus origin and pain of pulpal origin.
3. Recognize the progression of maxillary sinusitis of endodontic origin and how periradicular infections can advance to maxillary sinusitis and beyond.

DR ROD TATARYN DDS MS

The Endo-Antral Connection

Speaker Bio

Dr. Rod Tataryn is in full-time private practice endodontics in Spokane, Washington and is on the faculty of graduate endodontics at Loma Linda University School of Dentistry, California. He has published scientific and clinical articles on endodontics and odontogenic sinusitis and has served on the Clinical Practice Committee for the American Association of Endodontists. He is a contributing author to several endodontic textbooks including: The Sixth and Seventh Editions of Ingle's Endodontics, the Second Edition of PDQ Endodontics, and The Art and Science of Contemporary Surgical Endodontics.
